

PARTICIPANTS REGULATIONS

- Participants register themselves at the registration link that has been listed on the UNAS FEST 2025 website.
- Participants are active undergraduate students registered in PDDikti (Pangkalan Data Pendidikan Tinggi) for state and private universities in Indonesia from various study programs.
- Participants are teams consisting of two individuals (team members can be male, female, or mixed). The speaker position that participants choose cannot be changed until the competition ends.
- Participants come from the same university and can be from different study programs, faculties, or semesters.
- Participants must follow the rules that have been determined and listed in the EDC UNAS FEST 2025 guidebook.
- Participants who have paid the registration fee and somehow cancelled their participation will not get a refund.
- All participants must create a group name that relates to the UNAS FEST 2025 theme, without offending any elements of Ethnicity, Religion, Race, and Intergroup (SARA).
